## Forklift Operator

### Description

We are seeking a full-time forklift operator for our St. Louis, MO fulfillment center. The forklift operator is tasked with loading and unloading material within the warehouse and storage facilities. They will utilize hand trucks, forklifts, hoists, conveyors, or other handling equipment to transport material between aircraft, trucks, or trains within the warehouse and storage facilities.

### Responsibilities

- Operating propane sit-down forklifts and stand-up electric reach forklifts
- Navigating and utilizing MRP Software
- Tracking inventory accurately with scan guns and barcoding

### Education

- High school diploma or equivalent

### Experience

- 2 – 5 years of job-related experience or training

### Skills

- Ability to operate forklifts throughout the workday
- Ability to stand, sit, bend, lift, and walk throughout the entire workday
- Ability to exercise interdependent judgment
- Ability to perform tasks with limited experience
- Understanding of MRP software is a plus
- A certain degree of creativity and flexibility is required
- Ability to lift 50 lbs. or more

### Job Benefits

- Competitive pay
- 401K
- Medical, vision, and dental plans
