Industrial Designer

Description

We are seeking to fill a full-time **Industrial Designer** position at the Butler Merchandising Solutions fulfillment center in St. Louis, MO.

The Industrial Designer is responsible for several duties at Butler, including collaborating and developing product solutions that support our customers' needs in merchandising and fixture placements.

Butler is a leading designer and fabricator of go-to custom displays, working directly with leading retailers and brands like Pepsi, Coca-Cola, Red Bull, Anheuser Busch, and many other Fortune 100 companies spanning a broad range of industries to create shopping experiences seen every day.

Our company must foster a creative and self-motivated atmosphere to be relevant in today's retail world and is looking for energetic and industrious people to help us build on our decades of success.

Butler is an Equal Opportunity Employer
