Working Plant Supervisor

Description

We are seeking a full-time Working Plant Supervisor for our fulfillment center in St. Louis, MO. The Working Plant Supervisor is tasked with overseeing and coordinating the work of team members. They prepare work schedules, assign tasks, and supervise the production of merchandising display products.

Responsibilities

- Managing daily tasks with emphasis on efficiency and quality
- Staffing department adequately based on the production schedule
- Promoting a safe and collaborative work environment
- Following and adhering to established company policies, procedures, and standards.
- Understanding of standard practices, procedures, and practices within the field of merchandise display products
- Performing a broad range of tasks that require a certain degree of creativity and autonomy
- Overseeing workforce, assigning tasks, and inspecting the quality of products.

Education

- High school diploma or equivalent

Experience

- 4+ years of leadership experience in a production/manufacturing environment
- 4+ years of experience with digital press or machine operations
- Familiarity with printing, corrugated cardboard merchandising, and fulfillment operations

Skills

- Ability to supervise and lead others
- Ability to operate computer and manufacturing equipment
- Ability to communicate effectively both verbally and written
- Ability to multitask with strong attention to detail
- Strong analytical skills
- Strong interpersonal skills
- Majority of tasks require the use of one or both hands
- Ability to lift 50 lbs. or more

Job Benefits

- Competitive pay
- 401K
- Medical, vision, and dental plans
